THE ORGANIZATION

WE Ignite is an educational non-profit. We exist to amplify women's collective brilliance through education, connection, inspiration, and empowerment. WE Ignite accomplishes this mission through educational events such as retreats, workshops, and our annual conference the WE Ignite Women's Conference.

WE Ignite 2019 was our first ever event, WE Ignite 2021 was our first virtual zoom conference, and WE Ignite 2023 saw us back together in person. In 2025, we made a conscious decision to keep our event focused on the Skagit community. 2026 is a year of **Inspiration**, focused on women in STEM fields, and including a segment offered to girls in Skagit County.

WE IGNITE 2026 - INSPIRATION & STEM

WE Ignite 2026 will be our eighth annual women's conference and first ever STEM event for young women in Skagit County. This February at Maple Hall in La Conner we will offer keynote speakers, interactive workshops, inspirational breakout sessions, vendors, resources, and creative opportunities. Specifically Friday afternoon STEM event for young women, Friday evening sip and shop for all, and our Saturday Women's Conference.

Be part of this empowering event and help provide women the opportunity to celebrate themselves, to connect with others, and to feel inspired, all while promoting your business. There are opportunities to support WE Ignite 2026 at many levels. If you would like more information about the conference or organization, please reach out to the founder and CEO, Erin Long, at the contact information provided below.
